What is CRY5?

Since our founding in 1993 by Father Alberto Ruiz, CMS, the CRY5 ministry has focused on providing sacramental and devotional centered spiritual retreats for single adults ages 21- 40.

The name CRY5 came from the “cry” of the Catholic single community for a place of their own to grow in their faith & meet others with the same beliefs.

CRY5 provides an opportunity for singles to receive support, education and a community in which to share and grow in our Catholic faith.

The Community

The CRY5 community fosters Catholic fellowship through activities, which are broken into three elements:

- Spiritual
- Service
- Social

To find out about these upcoming events, join our group on Facebook or sign-up for our bi-monthly email newsletter from our website, www.crysretreats.com.

The CRY5 Retreat

At the heart of the ministry is the retreat, held twice a year. In each retreat, team members share their struggles and triumphs with living out the Catholic faith, especially as a single young adult. Through their testimonies, you may find the answers you struggle with ...

How can chastity as the Church teaches be possible in today's world? How can I live out my faith as a single Catholic young adult if I haven't found my vocation? How can I build authentic Catholic relationships that help me grow in holiness?

You may find the answer to these questions and many others you may have on the upcoming CRY5 retreat, held Sept. 17th through the 19th, 2010.

Food and lodging are included in the price of the retreat. Along with that, you'll have the opportunity to receive the sacraments and practice various Catholic devotions.

Most of all, this is YOUR time set apart with Christ, Who knows you intimately. Just for a weekend, forget updating your status for your friends to see. Rather, upgrade your “soul's” status and be with God.
